## DIRECTOR'S MESSAGE

*Dear Members:*

The car season is in full swing. We had our first outing of the year and had a good turn out. The next few month's events are listed in this newsletter and, as always, we are looking for some suggestions. I hope the weather cooperates and we will see you soon. Best wishes for a speedy recovery to Joan Harants who recently fell and broke her shoulder.

# Past Outing Updates

**May Outing:** On Sunday, May 16th, the O.V.R. met in Mansfield, Ohio, at the Richmond Carrousel Park. What wonderful music they made!

Those present were: Bob & Jean DiCarlo, Walter & Barbara Stockert, Dick & Pat Kiko, Ron & MaryAnn Huffman, Ray & Sally Smigelski, John & Jeanie James, Steve & Lina Himes, Gene & Shirley Barnhart, and Steve & Mary Lou Hastings.

**It was a Super Saturday, June 12th.** Our trip to Lehman's was during their ice cream social today, but not sure if anyone tried some. They have almost anything you want, except for an American Flag. Nope, not one in the whole building - I asked. Then it was on to our next stop - the Das Dutch Kitchen Restaurant where everyone had a great lunch and some fabulous dessert. The next stop was on to the J. M. Smucker Company Store in Orrville. Learned they own a lot more than just Smuckers. It's the 45th Anniversary of the Pillsbury Doughboy. Also they own Knott's Berry Farm products, Folgers, Martha White Muffin Mix, Jif Peanut Butter, Crisco & Pillsbury Doughboy just to name a few. In attendance: Bob & Jean DiCarlo, Tom & Leah Gartrell, Steve & Lina Himes, John & Jeanie James and Ray & Sally Smigelski.

# Lincoln Motor Car Museum

Those of you who were at the LCOC National Board Meeting in Orlando are aware that I have assumed the responsibility of the Lincoln Continental Owners Club Funding Coordinator. *Now I am asking for your help!*

For those of you who were not at the Board meeting, perhaps I need to explain what the goals are. I am sure you have read the numerous articles published in *Lincoln and Continental Comments* regarding building the Lincoln Motor Car Museum on the Gilmore Car Museum's Michigan campus.

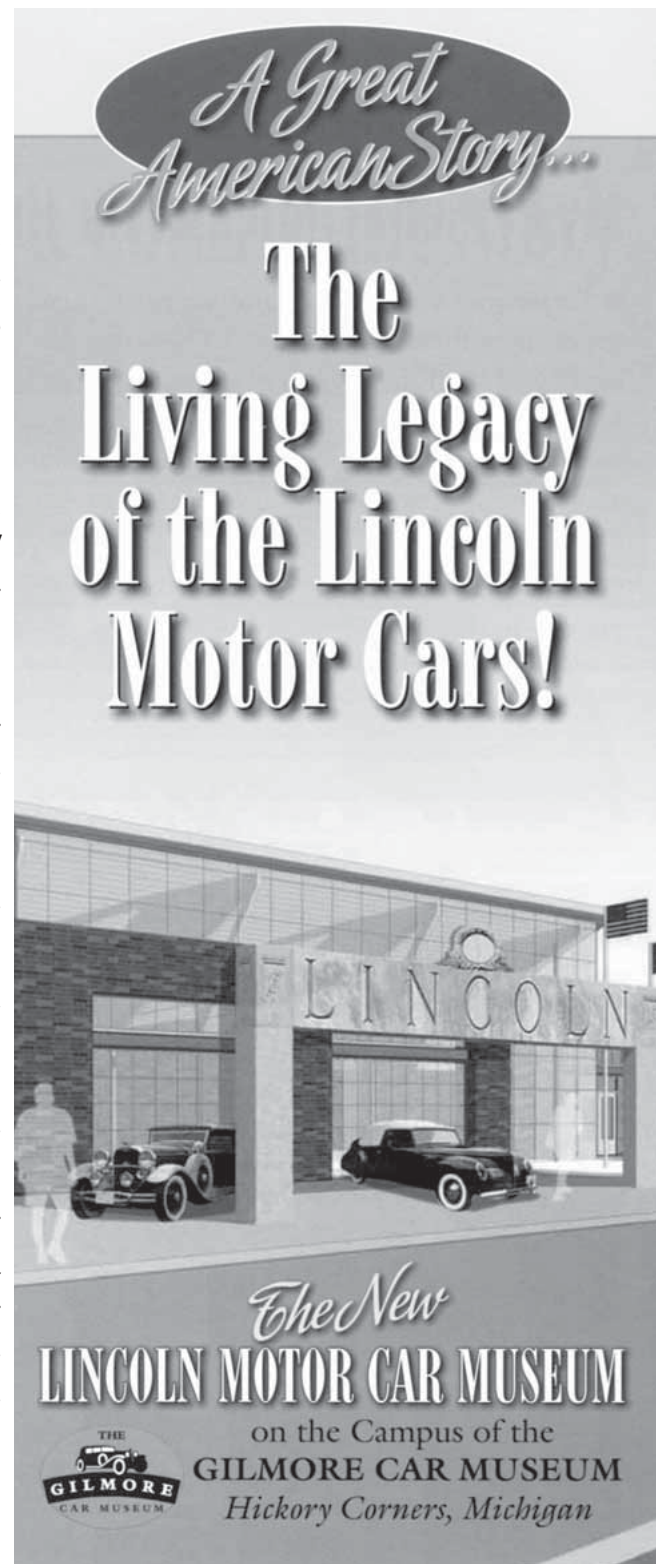

Many members of the Lincoln clubs have been working for years to bring this idea to a reality. In order to jump start the effort, Jerry Capizzi and Chris Dunn have graciously presented us with \$300,000.00 in challenge grants. The challenge grants stipulate that club members must match the \$300,000.00 by August 1, 2010. I am happy to tell you that more than 33% of the required matching funds have been pledged.

Now it is time for the regional members to step up to the plate! Your participation is so important to this project. LCOC members can pledge \$100 for a Walkway Brick or \$25,000.00 for a patio or exhibit or pledge \$50,000 for a gallery in their name. A region might want to combine their contribution and do a Garden or Patio in the name of the Region. All pledges can be payable over five years and are totally tax deductible!

I would like your ideas and thoughts on how we can meet this challenge and realize our dream of a Lincoln Museum preserving the Legacy of the Lincolns that we all love and enjoy.

Please let me hear from you. Will be looking forward to your input and pledges.
