## EVENT DETAILS

### November

What: **Apple Cider-Fest**

Where: Allison Care Center  
1660 Allison Street  
Lakewood, CO 80214

When: November 7, 2015 [Saturday] 10:00 AM – 1:00 PM

A **FREE BREAKFAST** will be provided for all who bring a Classic Lincoln for the folks to marvel at. This is a community that cares for the elderly, so it would be nice if we as the RMR LCOC Club could have a good showing for their entertainment.

Plus...it's FREE.

So, join the fun and "Enjoy The Lincoln Ride".

Thanks...Harry  
(Activities Chair)

---

What: **Veterans Day Parade**

Where: Longmont, CO

We will meet at **Aunt Alice's Kitchen Restaurant**,-- **1805 Main Street** in the back parking lot for our line-up. Directions to the Parade position will be given from there.

When: November 11, 2015 [Wednesday] 8:30 AM

This is a very special **Veterans Day Parade**. It is always very well attended by hundreds of people from all around the country. It will be the first time for our Lincoln Club to be included, so we need to make a good showing.

Please try to join us in this unique and worthwhile event.

At the end of the Parade, we will go to the Red Lobster Restaurant for lunch.

Directions to the restaurant will be given at the pre-parade line-up for those who wish to join us for lunch.

Hope to see you there...and as always: "Enjoy the Lincoln Ride."

Thanks...Harry  
(Activities Chair)

## EVENT DETAILS

### November

What: **2016 Planning Meeting**

Where: Westin Westminster Hotel  
10600 Westminster Blvd.  
Westminster, CO 80020

When: November 14, 2015 [Saturday] 2:00 PM – 4:00 PM

This will be the annual Planning Meeting for the club to set the agenda for next year. All members are encouraged to attend. We need your input. Here's your opportunity to have a say in what we do and how we do it, and we welcome your ideas. Remember...it's YOUR Club.

The Westminster Westin was chosen for this meeting because it is being considered as the site for next year's Western National Meet.

Come to the meeting, check it out, and tell us what you think.

# Director's Message

Hello to all...

As Summer has officially come to an end and Fall is in full swing, I can't help but look back and see what a magnificent year we've had. From the Moab, Utah trip, to the Colorado Springs outing, to a professional video shoot at Red Rocks, to the St Jude's Landmark Lincoln dealership show, it has been an amazing year by anyone's standards. From last October we have gone from 23 members to 37...and counting! With the increase in membership, we have decided to host next year's LCOC Western Region National Meet in September of 2016. Because of this, we are asking that if you would be willing to help, please let any local club officer know ASAP. Putting on a successful Regional Meet would be a HUGE feather in our cap, and we would really appreciate all the help we can get.

Next month, November 11, we will be honored by participating in a very special Veterans Day Parade in Longmont...so please help us show our pride and dedication by joining us there.

Jake

## --- 2015 Membership Challenge ---

Effective May 1st will be the start of your challenge for getting new members.

Those who sign up the most NEW members by the end of Dec. will be rewarded with both your dues being paid for 2016 to RMR and LCOC, as they are two separate applications.

For added incentive you will receive a gift card for dinner for two to your favorite restaurant!!

Be sure when you sign up a NEW member put YOUR NAME on the application "Sponsored By" line so you will get credit for that member.

Good luck to all!

## All Ford Day Car Show

This year, as in the past, you had to be there very early to get a parking spot. There were 189 Ford Product vehicles that filled the parking lot. Several clubs had many representative Ford products there, including The Thunderbird Club, The Mustang Club, The Early Ford V-8 Club, and others.

Our RMRLCOC displayed six great Lincolns. Director Jake brought his '56 MK II. Gerry, our Membership Chairman and Club Treasurer displayed his beautiful '40 Zephyr Coupe. Our recent member Charlie Clark showed his gorgeous '40 first-year Continental Cabriolet. Assistant Director Craig had his newest purchase; a very pretty black Mk VI Coupe. I arrived with my '81 White-over-Red Mk VI Sedan. And, last but not least, our good member Art Apple exhibited his most recent acquisition...a white '63 Continental Convertible that he had restored 25 years ago. The turn of events that resulted in his getting this car back is a great story. Charlie and Art even won door prizes. The day was filled with fine cars, good friends, good hamburgers, and a lot of fun.

Thanks for "Enjoying The Lincoln Ride."

## High Plains Raceway Event

This was a great event, and new to us Lincoln fanatics. A very cool weather day did not deter those that took part from having a fun time. Thanks to Christy Hopkins for putting this together, showing us around the facility, and explaining the functions that are involved, from the flag tower to the timing system. Those of us that drove our Lincolns were able to do some parade laps around the track while giving rides to those racecar drivers and track workers that requested it.

Our Club members present were Christy with her '65 Continental Sedan, Tom Zella driving his '54 Capri Sedan, Mike Sedio and his '57 Premier Sedan, Harry's '81 Mk VI Sedan, and Art Apple with his hot new Mustang Cobra Convertible...who was just itchin' to "put the hammer down." Sorry Art...some other time, maybe!

Our turnout was light...but all in all, a good time was had by everyone.

Harry...Activities Chair.

Editor's Note: This Raceway is a first class set-up, from the sophisticated timing and communications gear, to the track workers, to the safety team, to the driver's maintenance facilities...and it's all staffed by volunteers! They've even got their own permanent on-site food truck...and a semitrailer converted into upscale restrooms!

## Reinke Bros. Car Show and Haunted House

Looks like Ronnie McD  
is having a bad day...

Saturday, October 9<sup>th</sup> was another great time at the Reinke Brothers Halloween and Costume Superstore.

This car show is an annual combined event for both our Lincoln Club and the local Thunderbird Owners Club.

We chatted with our T-Bird friends, and admired all 28 of their remarkable automobiles. We also had 6 of our own members show up with their beautiful Lincolns, including new members Steve and Gianna Perrott with their son Christopher. Steve and Gianna brought their new-to-them 2007 Lincoln Town Car Signature Limited with its pearl metallic paint and black cloth top...a real jaw-dropper.

Unfortunately, the Haunted House was not open this year, due to water damage caused by a roof leak, but they expect it to be up and running and scarier than ever in time for next year's event.

We finished the day with lunch at The Tavern, which was close by in downtown Littleton.

A good time was had by all...and we

"Enjoyed The Lincoln Ride" all the way.

## **This 'n That**

It's that time of year when we start thinking about putting our toys away for the Winter. Hopefully, you have somewhere they'll be safe and will be protected from the elements.

State Farm Insurance Co. recently put out an e-mail with suggestions on how to prep your vehicle for storage, so I thought I'd pass them along.

- Add fuel stabilizer to a full tank and drive 30 to 40 miles
- Change the oil, and top up the brake fluid, windshield washer fluid, and coolant
- Remove the spark plugs and spray some oil into the cylinder to prevent rust
- Clean the vehicle, wax the exterior, and condition the upholstery
- Clean and disconnect the battery or install a battery tender
- Release the parking brake and install wheel chocks for stability
- Add 10 psi to the tires, or put vehicle up on jack stands
- Cover openings to prevent pest infestation
- Cover vehicle with weatherproof cover if stored outdoors

In the reply / comments section of the e-mail, one guy had a suggestion for protecting the vehicle from rodent infestation. He recommended cutting up bars of Irish Spring bar soap, and placing the pieces in strategic locations throughout the car...under the seats, in the trunk, the glove box etc. He claimed that the critters don't like the smell. Although he didn't mention it, I assume he envisioned retrieving the pieces come Spring... unless he doesn't mind driving around next season with his ride smelling like a shower stall. It seems to me that it would make more sense just to place unwrapped whole bars of the soap in the vehicle. It should have the same effect, and it would be a whole lot easier to round them up when the time comes...and they would still be useable for their original intended purpose.

If electric power is available at your storage location, you could also use an electronic repeller. They seem to be reasonably priced, and some are weatherproof and could be used outdoors.

Just sayin'...Your Editor
